June 18th-19th Winter Festival

Friday 24th June-Last day of term 2

Monday 18 July -First day of term 3

Dates subject to change

French with Madame Hill

Bonjour mes amis!

It's French time again! How is your French going at home? Are you trying out some new ways to improve everyone's French? We would love to hear from you for our next newsletter.

This term we are moving onto animals in the zoo and Australian animals with the Sunflowers, and learning a new song. We are going to make a zoo scene with animals and labels in French.

In the Seabreeze, Rivergum and Lighthouse rooms we are looking into the world of art. Our focus will be on French artists especially from the Impressionist period. Through the art we will learn some French for colours, shapes and positions (behind/in front) and we will learn to express our opinions on what we see.

You may like to look at some websites at home such as the Louvre Museum, the Pompidou museum and the Musee D'Orsay, which are all in Paris and find some interesting pieces of French art to enjoy with your child.

Until the next time! A la fois prochaine.

Madame Hill

Well done to our hockey team the "Leaning Tree Tigers" on winning their first game this season against the Geraldton Primary School team. All the while showing great sportsmanship. Way to go guys!

Nominate a Great Teacher!

A Day Made Better rewards and recognises exceptional primary and secondary school teachers across the country. We invite parents, students, fellow staff members, or anyone who has ever known an exceptional teacher to show their appreciation by giving them the recognition they deserve.

Exceptional teachers do more than just teach – by going above and beyond the call of duty they inspire, nurture and encourage students to build knowledge, confidence and life-skills.

This year, ten exceptional teachers will be rewarded for their inspirational work with a surprise event including prizes valued at \$2,000 and an Apple iPad for their classroom.

So if you know of a primary or secondary school teacher that goes above and beyond, show your support and nominate now.

Help us celebrate Australia's great teachers when **nominations open Monday 16th May.**

<http://www.adaymadebetter.com.au/>

Saying thanks is easy, all you have to do is nominate.

National Walk Safely to School Day

Friday 20th May

Now in its 17th year, National Walk Safely to School Day is an annual event when all Primary School children will be encouraged to walk and commute safely to school. It is a Community Event seeking to promote Road Safety, Health, Public Transport and the Environment.

We will walk from the Youth Precinct on the foreshore to school.

Meet at **8am**, parents welcome and encouraged.

(you could organise a carpool back to your car afterwards).

There won't be a breakfast provided at school– so have a warming healthy breakfast at home.

LTCS is participating in Oxfam's "\$1 Day" on Friday 31st May.

\$1 Day is primarily a fundraising event, with people all around Australia working towards the aim of raising \$500,000 for water programs.

Please support this event by wearing blue casual clothes and donating \$1.

RECYCLING AT LEANING TREE COMMUNITY SCHOOL– Did you know our students are involved in collecting items for recycling? Bring in your items and Help our children SAVE THE PLANET!

Sunflower Class — Mobile phone Heroes!!

Rivergum Class—Battery Heroes!!

Seabreeze Class—

Plastic Bottles He-

roes!!

Mobile phones and batteries are collected in the foyer, plastic milk bottles are collected in the large blue bins. Keep an eye out for updates from our RECYCLING HEROES
